**Give thanks to the LORD, for HE is GOOD;
HIS LOVE endures forever.**

-Psalm 106:1

I love that verse. It sums up so much of what kids learn when they come to any class or event at FPCO. God loves us, he always will, he is good, and we have so much to thank him for!!

I am so thankful for the years I have spent as the Children's Director at FPCO. We have some really special kids that show up to learn at this church. I invite you to experience the joy of getting to know them, and getting involved in their lives!

I can tell you first hand, they will enrich your life, and your faith, more than you can even imagine.

Blessings, Sara

Sunday School Update

We are moving through the OT and this month finds us in the book of I Kings. Who was Solomon? Why was he so wise? Did Solomon please God through his whole life? These and many more questions will be answered Sunday mornings at 9:30am. See you there!

What is happening in CHILDREN'S CHURCH??

- **Did you know that our Children's Church, which meets during the worship service, has the highest attendance of all the classes in the kid's department?**
- **Did you know that the CC is staffed with 5 different teachers and 5 different aides who rotate through the month?**
- **Did you know that we have a lot of fun learning all about our great big God every week?**

I thought you did. :)
